

Mrs. Sammonss AP Human Geography Summer Assignments
AP Human Geography Basic Background Knowledge List Summer work

Part of entering an AP class is an assumption of a certain level of background knowledge and skills. Please review and be prepared to take an assessment the first week of school in the fall relating to this list. The US map is identification. The other two assessments will be primarily matching. Do not worry about spelling. Don't stress out about this, but do some review and familiarize yourself with this information. Think of this knowledge as the ABC's and 1,2,3's of geography.

******Also required reading is "Prisoners of Geography: Ten maps that tell you everything you need to know about global politics" this is your summer reading be prepared for a test over main ideas when you return to school. Check out AMAZON for a copy of book**
