

APUSH Summer Assignment 2018

Dear APUSH student,

I am so excited to get to know you and to study US history along side you starting in August! It is important that you understand that APUSH covers US history from 1492- the present, so we will move quickly, and a great deal of the work will be on your shoulders. I have designed a summer assignment for you to start getting used to learning history on your own so that when we start school we will all be prepared to offer up important information to the class.

The summer assignment focuses on the first unit that we will cover together. It will be due the first week of school, so come prepared.

I cannot wait for us to learn about the exciting history that our nation has together!

Have a productive summer,
Mrs. McNatt

You have 2 tasks for the summer assignment.....

1. Read the first copy of the text book. The hard copy given to you before summer OR pick up a copy in the main office. Read for understanding (highlight, outline, take notes, etc.) because there will be a quiz the first week of school.
2. Define the terms from the vocabulary list. The first vocab quiz will be on Friday the first week of school.
